02.07.2020

Dear Parents and Carers

The work to replace one of our boilers has now been completed meaning that we are able to open to more children.

We are safely able to operate two completely separate groups (bubbles) within our building, to continue to minimise the risk of both staff and children contracting the virus.

The places in our bubbles have been allocated in accordance with government requirements and so sadly this means that we cannot accommodate any more children this academic year. Hopefully, for those of you returning to us in September, the guidelines will look significantly different and we will be able to welcome both returning children and those joining us for the first time.

If your child is moving on to the Reception class of a Primary or Special School in September, we will soon send you details of how you can collect your child's 'leavers 2020 t-shirt'.

On behalf of everyone at Shenley Fields, I would like to express the great pleasure that it has been to have you and your children as part of our Shenley family this year.

Take care and stay safe

David Aldworth

Executive Head Teacher
