

# ICT Work Shops

## UNCRC Article 17:

I have the right to get information in lots of ways, as long as it's safe

Children should be able to access information they can understand on TV, radio, in books and newspapers and on the internet.

Governments should make sure children are protected from things that could harm them.

ICT plays an integral part in all our lives. Children are growing up surrounded by and becoming familiar with digital technology.

We will be holding ICT workshops for children and their families every morning week commencing

**Tue 3rd February and Thursday 5th February 2026.**

They will take place from **9.15am – 10.15am.**

These workshops will also provide parents and carers with E Safety information and guidance.
