It has been lovely to welcome back those of you who were with us last academic year.

We are delighted to welcome new children and families to Shenley Fields and for us all to begin the Autumn term together.

Have you seen our video about life at Shenley Fields? The script for this video was compiled completely from children's feedback about their experiences of nursery. The link for this is below to enable you to watch it again or for the first time. We hope you enjoy it.

Our Curriculum and

Did you know that we use Tapestry to share lots of information with you about our curriculum and the learning opportunities and experiences on offer to your child?

This includes:

- Our planning for each area of continuous provision both indoors and outdoors.
- Observations and photos of the activities detailed in our planning in action.
- The core book we are focusing on, including the key vocabulary we will be teaching.
- The song/rhyme we are focusing on from our Shenley Rhyme Time and how these enhance our planning for phonics and maths.
- Our Makaton sign/s of the week
- Our rights respecting focus
- For children in Sunbeams (3-4's), we also include Early Years Picture News which also includes home learning opportunities.

Please activate your Tapestry account and log in to have a look. You can also add photos and share information about things you have done at home together.

If you have any difficulty activating your account or logging in, please let us know and we will problem solve to enable you to access your child's Tapestry journal.

Library

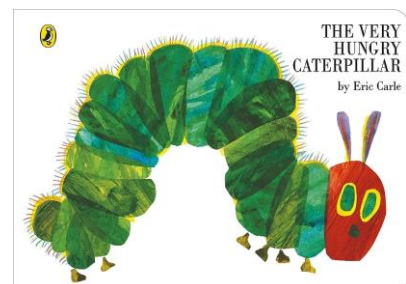

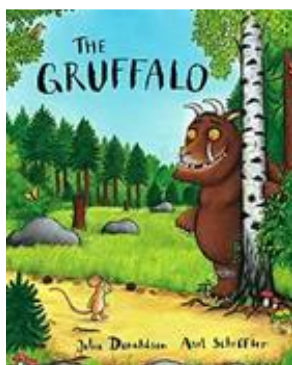

Have you been to visit our library yet?

It is a lovely space to spend time with your child, with a great range of books to share and enjoy together. Every child has their own book bag to take the book they have chosen home.

Our school library will be open every day from 8am-9am.

You can use the library to share books with your child or just choose one to take home and enjoy together.

Your child can change their library book as frequently as they would like to. Just bring your book back and choose a new one.

WE ARE A UNICEF GOLD RIGHTS RESPECTING SCHOOL

Children's rights are learned, understood and lived in this school.

We are very proud to be a Gold Rights Respecting School. We were first awarded gold status in January 2021 and maintained gold at our reaccreditation in January 2024.

We have a coat exchange scheme. Shenley Fields coat exchange aims to encourage us to recycle and donate coats that children have outgrown rather than putting them in the bin. Please bring in your unwanted coats and if your child needs a coat, please take one free of charge from inside the main entrance. When you no longer need it or your child grows out of it, bring it back and swap it for another coat.

We will keep you updated weekly on the focus of our rights respecting work.

Attendance

We place a high priority on promoting children's attendance. If your child is unwell and not able to attend nursery, please call and let us know.

"Being in school is important to your child's achievement, wellbeing, and wider development. Evidence shows that the students with the highest attendance throughout their time in school gain the best GCSE and A Level results." (DfE)

Collection Timings:

Your child's day at nursery starts at 9am. Please make sure they are on time to enable them to make the very most of their day with us. If you arrive later than 9.10, you will need to take your child to our main reception and wait for them to be collected by a member of staff.

Collection time is 3pm. If you have any circumstances which make this collection time difficult, then please discuss this with us.

Wednesdays are the only exception to this:

If your child's place is the beginning of the week, drop off is at 9am and collection at 12 midday.

If your child's place is at the end of the week, drop off is at 12.15 and collection at 3.15pm.

Drop off and collections outside of these times is hugely disruptive and impacts on the experiences on offer to the children.

Thank you for your understanding and cooperation.

CHILD SAFETY CONCERNS

The access that leads to our entrance is a private road intended for the shopkeepers, householders and garage owners. They share our concern regarding the volume of traffic using this access at busy times, which has led to a number of 'near misses' between cars and children.

Our advice is that cars are parked on the surrounding roads.

Alternatively, if you live within walking distance, leave your car at home and encourage your children to get into the habit of walking. A number of families do use the access road due to their personal circumstances with our knowledge and consent.

"We park at the shops then walk holding hands into nursery".

"The children are sad because the cars are parked outside nursery and it is not safe."
"Children might get hurt."

Shenley Fields Daycare and Nursery School will also be celebrating **"World Children's Day"**. Children have their rights denied every single day. We want to build a world where every child is in school and learning, safe from harm and able to fulfill their potential, and we know you do too. It's time to put children back on the agenda.

At Shenley Fields the children will be taking part in activities throughout the day that support our children learning about their rights.

WE ARE A UNICEF GOLD RIGHTS RESPECTING SCHOOL

Children's rights are learned, understood and lived in this school.

Parent/Key Person Consultations:

We offer every family the opportunity to have a booked appointment with their child's key person each term. These meetings provide the opportunity to share how your child has settled, their interests, development and anything else you would like to discuss. Our consultation dates for this term are as follows:

Raindrops (2-3's): week beginning 17.11.2025

Sunbeams (3-4's): week beginning 24.11.2025

Sunshine (0-2's): week beginning 01.12.20

Food Bank Collection:

This year for Christmas we want to help our community by donating food for our local food bank run by "The Life House". We would greatly appreciate your kindness in gifting a food donation large or small into nursery from week beginning 10th November 2024. There will be boxes placed in provisions for you to put your donations in. We would like to donate as much as possible for this worthy cause, as the work of the "Food Bank" is invaluable within our local community to fight hunger and to help care for each other.

Please can we ask that you do not bring the foods containing nuts to nursery:

There are children at nursery who could become very poorly if they come into contact with these foods. Thank you.

Labelling your Child's Belongings - Please name your child's belongings - especially coats, bags and lunch boxes. We have lots of coats and bags that are the same.

Spare Clothes - Can you please send your child to nursery with a set of spare clothes in their bag and return any borrowed items as soon as possible.
