**“UNICEF Soccer Aid”**

**Wednesday 12th June 2024**

Soccer Aid for UNICEF brings the nation together to help children worldwide have the best possible start in life.

If possible, donate £1 and support your child to wear shorts and a T-shirt or their favourite team's football team kit, should they have one. .

The children will be taking part in physical activities both inside and outside (including football) and learning about the Startwell characters and their healthy messages.

The money raised from this year's game could help children to get the best start in life. Through Soccer Aid for UNICEF you are supporting UNICEF's vital work with families, communities and trusted organisations to create and protect safe spaces for children to play.
