Dear Parents/ Carers,

We have noticed that a small number of children have head-lice. Although very common, this condition can be very distressing for children and easily spread to others.

It is important to check your child's hair regularly and use a nit comb and recognised treatment if eggs or lice are present. Your local pharmacist will be able to help you to choose the best product.

Please talk to your child's key person/ people or any member of the team should you have any questions or concerns.

Thank you for your ongoing support.

Kind Regards

Louise Shepherd
Head of School
