

## **Parent/ Carers - Help Needed**

**It's that time of year again, and we'd love your support. The community allotment is now prepared and ready for planting.**

**If you can spare an hour on Wednesday 15th April 9.15am–10.15am to help the children plant and water the seedlings, we would be very grateful.**

**All gardening tools and equipment will be provided. We just need some extra hands to help the children get our vegetable patch started.**
