

You are invited to our:

Spill the Tea with OT:

# Toileting Workshop

**Thursday 19<sup>th</sup> March**

**The Staff Room 9.15 -10.45**

An Occupational Therapist from the SEND Therapy Team will be explaining how best to support your child when it is time to begin toilet training.

She can offer practical advice and address any concerns that you may have.

Relax over a drink and biscuits, and chat in a friendly, supportive environment.

The session is for parents and carers but, if you wish to attend and do not have childcare, please still come with your child.
