ROAD SAFETY CONCERN – ACTION REQUIRED

Parents and Carers

I write to you again to ask that you **DO NOT DRIVE** on the access road that leads to our site, unless you are a blue-badge holder.

We continue to see and hear of incidents on the access road that are placing children at risk. The safety of your children is our shared and first priority. We are concerned that if drivers do not follow these instructions, a child could be seriously harmed.

I will be contacting our local police team today to ask for them to take a zero-tolerance approach to drivers that act in breach of the above request.

Please act **NOW** and park away from our school, being sure to avoid inconveniencing local residents.

Wishing everyone a safe and happy weekend

David Aldworth
Executive Head Teacher
