

World Children's Day

Shenley Fields Daycare and Nursery School are celebrating World Children's Day.

On

Wednesday 27th November 2024

Children have their rights denied every single day. We want to build a world where every child is in school and learning, safe from harm and able to fulfill their potential, and we know you do too. It's time to put children back on the agenda.

At Shenley Fields the children will be taking part in activities throughout the day that support our children learning about their rights.
