Dear Parents/ Carers,

Shenley Fields Daycare and Nursery School are proud to announce that we have been chosen to perform at the annual UNICEF celebration on 8th July, 2022 at the Birmingham Repertory Theatre. The children and staff will perform on the main stage at Birmingham Repertory Theatre, Broad Street, Birmingham.

In previous years we have seen an eclectic mix of inspiring and impressive performances through spoken word, dance and drama, art and music, and short films performed by pupils from schools across Birmingham, together with eminent speakers.

In 2019 the staff and children from Shenley Fields performed "We're Going on a Bear Hunt" and had the most amazing time.

Shenley Fields Performance:

We have shared with the children the focus of this year's performances being the Commonwealth Games, common ground, connecting communities and health and wellbeing. The children and staff have composed a song incorporating this theme and also children's rights. The children will sing, dance and do actions as part of our performance.

We would like to include as many children as possible in the video that will form the backdrop of our performance the Repertory Theatre. It will include children performing sporting activities and singing the song we have written with their friends and staff in the garden at Shenley Fields.

If you are happy for your child to be in the video played in front of an audience at the Birmingham Repertory Theatre, please complete and return the slip below by Monday 6th June
