

This year for Christmas we want to help our community by donating food for our local food bank run by “**The Life House**”. **The Life House** provides high quality services that help people within Birmingham's local communities. The foodbank is based in Selly Oak. We would greatly appreciate your kindness in gifting a food donation to nursery, large or small, during the week beginning 18th November 2024. There will be boxes placed in provisions for you to drop off your donations. We would like to donate as much as possible for this worthy cause, as the work of the food bank is invaluable within our local community to fight hunger and to help care for each other.
