MODESHIFT STARS AWARDS –
Congratulations – We've Won!

Dear Parents & Carers

We are thrilled to announce that we have been named as the **'Modeshift STARS Local Authority Early Years Establishment of the Year 2026-27'** at their recent annual awards ceremony.

As if it was not exciting enough to win this on behalf of Birmingham, the event proceeded to announce the Regional Winners of the awards and to our great surprise and delight, we were also awarded the **'Modeshift STARS Early Years Establishment of the Region'**. This spans all schools and settings across the whole of the East and West Midlands!

Modeshift STARS is a prestigious National award scheme that recognises schools and nurseries for their commitment to producing safe, active and sustainable travel – such as walking, scooting and cycling on the daily journey to and from their setting.

Thanks to your incredible efforts in supporting your children to make greener, healthier travel choices, we will now be representing the Midlands region at the National Finals, to be held in London on 17th March 2027!

Further details and our successes and the other named local and regional winners can be found here: Modeshift STARS Regional School Travel Awards 26/27 - Modeshift

Yours Faithfully
David Aldworth
